Dear Chair Boozman and Ranking Member Ossoff,

As the Appropriations Subcommittee on Military Construction, Veterans Affairs, and Related Agencies begins its consideration of the Fiscal Year 2027 Military Construction, Veterans Affairs, and Related Agencies Appropriations Bill, I would like to submit recommendations for your consideration. Additionally, none of the entities for which I have requested congressionally directed spending are for-profit entities.

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Military Construction, Veterans Affairs, and Related Agencies Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

I look forward to working with you as the FY27 process continues and, as always, do not hesitate to contact me or Maggie Ward (43353) should you or your staff have any questions.

Sincerely,
